BUILT-IN WARDROBE WITH SLIDING DOORS

Even if you are a generous person,
you still don't have to give up space.
Use it instead.

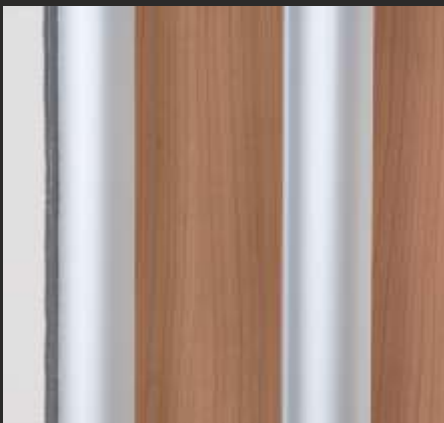

The key feature of this sliding door system
is its clear cut design. An additional benefit is
its shallow mounting depth.

BUILT-IN WARDROBE WITH SLIDING DOORS

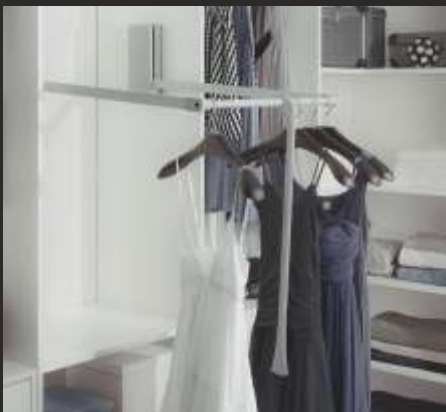

With us, you receive all the ingredients you need to design your own four walls without limitation – and you won't be stuck inside the box.

INTERIOR SYSTEM AND WALK-IN WARDROBE

From custom-made closets to variable space arrangement – our installation systems make visions a reality.

Ecoline, the custom-made starter program which leaves nothing to be desired – despite its remarkably low price. For Ecoline too, **raumplus** offers various equipment variants from the clothes lift to the shoe rack. At Ecoline, stability and assemblyfriendliness are taken for granted.

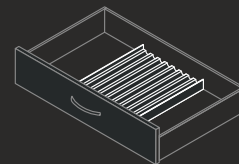

INTERIOR SYSTEM AND WALK-IN WARDROBE

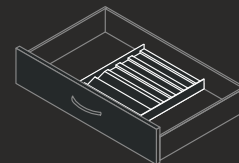

Those who attach great importance to comfort and look are in good hands with the interior storage system Legno of raumplus. It offers a variety of accessories and equipment variants, as for example the surface of the drawer which is in a material combine with the surface of the shelves. The surfaces Urban Structures – being on offer for Legno – make up the particular nature of the system.

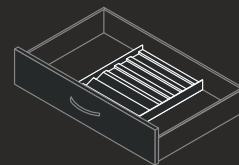

The **raumplus** organizer system for drawers »Box Pur« provides you with the perfect place to present the »inner values« of your clothes and accessories just the way you want.
