Sleek, a subsidiary of Asian Paints provides complete kitchen and wardrobe solutions. Being India's largest modular kitchens brand our work is known for its innovative, efficiently designed, world-class quality kitchens.

We aim to deliver world-class products and innovations that will ease the customer's life by providing maximum value and enhancing their living in every way possible.

Sleek creates incredible experiences with contemporary designs and timeless perfection.

Sleek's well-organised spaces make cooking fast and easy.

To function efficiently, everything should be in perfect order. Same goes for your kitchen. Think how fast and easy your cooking would be if everything you need is within an arm's reach. The secret to a well-organised kitchen is proper planning with the use of new and innovative kitchen solutions.

Sleek's expert design not only doubles your storage, but also enhances your individual cooking style. Ingenious corner units, compact larder units, wooden partages for methodical storage and innovations like the undersink unit. Sleek's smart solutions transform your kitchen into a super-efficient space.

Quality is what makes Sleek kitchen a lifetime investment

Quality, durability, craftsmanship, price... Sleek gives you the best of everything. Every Sleek component is manufactured in state-of-the-art factories and goes through strict quality-control processes to assure you excellent quality and finish. A Sleek kitchen can withstand years of heavy usage, thus offering you more value for your money.

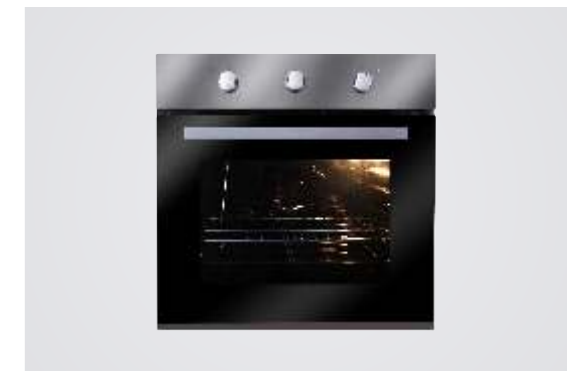

- Warranties**
- SS 304 accessories with a lifetime rust-free warranty.
 - 10-year free kitchen warranty against manufacturing defects.
 - 3-year Annual Maintenance Contract (Optional paid service).
 - Sleek offers quality and finish on par with International standards.

Sleek's modern day appliances create comfort and excitement in the kitchen.

Sleek chimneys, hobs and ovens with revolutionary features have changed a dreary chore into an enjoyable routine. Every Sleek appliance comes with the Sleek mark of quality that ensures years of hassle-free performance.

High performance Ovens: A stunning and stylish range of ovens equipped with functions like baking, steaming, rotisserie and grill.

Smart Chimneys: Super Sleek designs, lowest noise levels, high suction capacity and push button control. Sleek chimneys keep your kitchen fresh and breathe-easy.

Modern-day Hobs: From two-burners to five burners, with enameled pan stands, front control panels, automatic ignition, with blue flame technology that saves fuel.

The Specialist Kitchen is an intelligent blend of aesthetics and functionality

New-age kitchen systems from Grass, Kessebohmer and Scilm

Global trends have made their way into the kitchen industry, courtesy Sleek, Soft-closing drawers from Grass, revolutionary range of hardware from Kessebohmer, and superior functional channels from Scilm are just a few innovations that have caught the fancy of the discerning consumer.

The Kitchen Specialist offers a scintillating range of shutters for a bright and happy kitchen.

The beauty and aura of your kitchen sets your mood every day. Make your kitchen more inviting with Sleek's range of shutters in myriad colors, material and finish. Make your kitchen your style statement; a modern workzone and a sanctuary that you love to come to everyday.
